Strength. Ease. Success.

We have always known your ambition for something extra in life... extra success, extra prosperity, extra happiness! This desire for extra reflects in the choice for your own tractor as well! With John Deere Tractor, you choose a path of profit and progress for life! So presenting exclusively for you the new John Deere **5210 GearPro** with extra range and extra power!

At John Deere, our focus is always to understand your needs and better our offerings with advanced technology to suit them. So we bring you the all powerful **5210 GearPro** for your regular farming activities as well as specialised loading, dozing and leveling. We are sure that it will prove to be your best choice!

The new **5210 GearPro** has many amazing features, including –

- **4 Gear range** – more gear options for more activities
- **High 38% back up torque** – no need to change gears often
- **More lifting capacity** – strength to lift weight upto 2000 kgs
- **4 Wheel drive** – less tyre slippage, more productivity

So give your dreams the strength to fly with the new **5210 GearPro** with Xtra range, Xtra power!

4 Gear Range
More gear options for more activities

High Torque reserve ~ 38%
Suitable for activities that require more pulling power or load bearing

More Lifting Capacity
Strength to lift weight up to 2000 kilograms

EQRL
EQRL switch eases lifting, joining and use of implement

Sway Bar
Ease in adjusting or joining implements

Planetary Gear with Straight axle
Low noise, less vibration, highly durable

Oil immersed disc brakes
Secure, durable, no need to change gears often

Mobile Charging Point with Holder
Stay connected anytime

Hood Lock
Totally secure

John Deere 3029H engine with Inline FIP
Powerful and fuel efficient

Power Steering
Work hard. Drive smooth

JDLink™
Stay connected with your tractor anywhere, anytime
